### About The case

Smile Makeover with 4 componeers using palatal shell technique

### Outcome & Doctor's Comment

Smile Makeover with 4 componeers using palatal shell techniquePt. Presented with history of recent trauma to our dental Center. Mock -up was done and putty index was fabricated . Palatal templates were made with Dtech Composite and case was proceeded with final build up using stains and different values of dentin and enamel shades ..

“Compomax presented good aesthetic and was indistinguishable from the surrounding teeth”
